LOOMIS SAYLES ADDS PRODUCT SPECIALIST IN LONDON

LONDON, UK (June 27, 2016) – Loomis Sayles Investments Limited today announced the addition of Alex Thompson as product specialist. He is based in the company's London office and reports to Chris Yiannakou, director of Europe, Middle East and Africa (EMEA) institutional services.

In this newly created role, Alex is responsible for providing product expertise, supporting client and consultant relationships and coordinating with Natixis field sales distribution across institutional channels in the EMEA region. As a member of the institutional services team, Alex will liaise with prospects, clients, intermediaries and advisors.

“Alex has extensive expertise in global, absolute return and multi-asset fixed income strategies,” said Yiannakou. “Adding Alex to our London team strengthens our commitment to the EMEA institutional market and adds another level of support to our clients here.”

Before joining Loomis Sayles, Alex worked at Mercer, the global investment consultant, where he led the firm's European fixed income manager research team. Before joining Mercer in 2007, he spent two years at Aon Consulting, as a manager researcher. Alex holds a BSc in applied economics from the University of Plymouth and has passed the IMC qualification.

Loomis Sayles currently manages £17.5 billion¹ in European/MENA assets for institutions and offers an extensive range of UCTIS and SICAV pooled fund solutions. These investment products are actively marketed and distributed by Loomis Sayles' parent company, Natixis Global Asset Management.

About Loomis Sayles

Since 1926, Loomis, Sayles & Company, L.P. has served the investment needs of institutional and mutual fund clients. As performance-driven investors seeking exceptional opportunities, Loomis Sayles employs actively managed disciplines that combine fundamental research, systematic risk assessment and experienced portfolio management. This rich tradition has earned Loomis Sayles the trust and respect of clients worldwide, for whom it manages £159.5 billion in assets as of March 31, 2016.
